Kingdom Submissions Letter of Decisions  
August 20, 2018**

Greetings to the Avacal College of Heralds from HL Arwyn of Leicester, White Wyvern Herald, Kingdom of Avacal Submissions.

The following submissions will be forwarded to Laurel on the Avacal external letter dated 2018-08-31 and were taken from the Avacal KLoI of 2018-07-24.

Forwarded to Laurel Sovereign of Arms:

**1: Ásný Grimólfsdóttir -New Name & New Device-*Per chevron gules and argent, two suns Or and a rapier sable, on a chief argent, three crowns sable.***

**2: Montengarde, Barony of - Resub Order Name -*The Order of the White Hat***

The following submissions were returned for further work:  
**None.**

The following submissions were still pended until next meeting:

**1. Ívarr the Black -New Name**

Commentary found a conflict with Ivor the Black. Submitter has indicated that he would be willing to add patronymic by-name to clear the conflict. Paperwork is being follow-up to see if we can get all the paperwork done for His Majesty.

**2. Ívarr the Black -New Device, *Per chevron throughout sable and vert, a boars head cabossed argent, in chief a crown, an orle of chain Or***

Because of the lack of a primary name, Ivarr's device must be pended as well. We also found that the per chevron throughout did not go all the way to the top but only to the chain. A redraw is being done by His Majesty and we also did not find any conflicts at this point.

**3. Kerry Garadh -Resub Device -*Per fess embattled azure and argent, three rermice argent and a church bell azure in base.***

Commentary found that the bell looked like a thimble and needs to be changed to add the clacker. A redraw will be done since this is the submitters third attempt at a device.
