

**Kingdom of Avacal College of Heralds
Kingdom Submissions Letter of Decisions
Aug 26, 2024**

Greetings to the Avacal College of Heralds from Arwyn of Leicester, acting White Wyvern Herald, Kingdom of Avacal Submissions.

The following submissions will be forwarded to Laurel on the Avacal external letter dated 2024-09-30 and were taken from the Avacal KLoI of 2024-07-16.

Forwarded to Laurel Sovereign of Arms:

1: Alexander Blackadder -New Name

The following submissions were returned for further work:

1: Nikolai Medveden -New Device *Or, a bears head cabossed sable langued gules within a bordure vert*

This device is being returned because we found a conflict with Angus MacGowan of Loch Canmor's device registered in August of 2014 (via Meridies): Argent, a brown bear's head cabossed proper within a bordure vert.

The colour corrected version of Angus device sees the brown bear's head was closer to black and the visual difference of the brown and black are too close. Although the field or background is different, this is the only Distinct Change or difference. We need to have two to clear this conflict.

The following submissions were still pended until next meeting:

1: Nikolai Medveden -New Name.

We will be contacting the submitting herald for more clarification on the spelling of the last name and get the documentation if needed.
