Although the submitter has received a scroll similar to previous attempts on the October LoAR (<https://heraldry.sca.org/loar/2016/10/16-10lar.html>), we need to have permission from their Majesties for an individual to use to the heraldry on their device. Although we could make the populace badge also the kingdom standard augmentation, we have not chosen to do so.

A letter of permission will be followed up with Their Majesties and will be forwarded on an upcoming letter.
